A CroisiEurope cruise is not just a fantastic experience, it's also great value. There is the sheer variety that guests encounter as the ship gently sails its course on well-known rivers, canals, lakes, coasts and seas, all the while enjoying delicious French cuisine and different wines, remember – all drinks are included.

This brochure is filled with ideas and inspiration, and unrivalled choice of cruise itineraries, whether you are a seasoned "CroisiEurope Connoisseur" or sailing with us for the first time. You can discover which of the world's waterways may suit you best, whether you are seeking to immerse in European architecture, history, panoramic landscapes or explore exotic cultures. Trusted local guides bring each destination to life with fascinating stories and insightful anecdotes on our perennial favourites from the Douro to the blue Danube, but also our more exotic destinations to Southern Africa, the Mekong, the Nile and the Ganges.

For our increasing number of active cruise guests, CroisiEurope has been busy creating new itineraries on much sought-after Cruise & Walk programmes. For authenticity seekers, take a closer look at our boutique style canal barges, sailing at a very gentle pace along French canals.

Join us for unique experiences to be discovered in the "Only with CroisiEurope" sections such as our innovative paddle-wheel ships that sail the Loire and Elbe rivers.

Our 50 strong fleet of river and canal vessels also includes a boutique style ocean ship, "La Belle des Océans", offering you unforgettable cruises to the Canary Islands, the Italian coast and the island of Corsica.

The local environments we sail in and through are hugely important to us and CroisiEurope has taken steps forward, reducing our carbon footprint, our use of alternative fuels, reductions in single use plastics and our impact on both communities and nature. We are lucky to sail through areas of outstanding natural beauty as well as countless towns and cities. Our interaction with, and positive effect on, those areas is one of main priorities along with the safety and comfort of every one of our customers.

We hope to welcome you soon on a CroisiEurope cruise.

## CroisiEurope takes you away for so much less yet offers so much more

As an independent, family-owned business, we are able to provide great value for money as we handle the entire operation from beginning to end: from the design and building of our ships and fleet maintenance, to creating cruise itineraries, sales and marketing and highly trained staff and crew.

This gives us the ability to manage our costs carefully and allows us to provide you with exceptional value for money. Additionally, we concentrate on things that matter most: friendly and knowledgeable staff, well-appointed, comfortable cabins, reliable and safe ships, excellent food, incredible itineraries and a delightful experience of European culture.

Each member of our crew is a highly trained professional with a passion for what they do and a commitment to excellence.

# Life on Board & Cuisine

CROISIEUROPE'S HEAD CHEF, ALAIN BOHN

## QUALITY CUISINE, ACCLAIMED BY OUR PASSENGERS

Respect for French culinary traditions is one of our company's strengths. The meals are designed by the company's Head Chef, Alain Bohn, a member of the *Maitres Cuisiniers de France* association, which includes only 250 chefs worldwide, and of the *Chaîne des Rôtisseurs*.

With his team of chefs, he designs each menu in the pure tradition of French gastronomy, while bringing out the local tastes and flavours of the regions and countries we travel through. Our wines are selected to accompany each of your meals. We adapt our menus and offer alternatives to passengers with special dietary requirements.

From time to time, CroisiEurope teams up with top chefs such as Marc Haerberlin or Maison Paul Bocuse to organise gastronomic cruises that are full of taste and flavour.

## Cabins

After dinner, retire to your private cabin in comfort for the night: all our tastefully decorated cabins are equipped with air conditioning, central heating, shower /toilets, satellite TV, safe, hairdryer— each providing a view of the river. Some cabins have French balconies or private terraces.

Our fleet of Premium ships offer additional comfort providing more space in the cabins.

In order to satisfy the requests of our passengers, we now offer the choice between 3 categories of cabins:

**Category A:** premium location

**Category B:** intermediate location

**Category C:** standard location and cabin can be slightly smaller in size

This concerns all our ships except the canal barges, the ocean ship "La Belle des Océans" and the fleet of exotic river ships.

## Buffet Breakfast

Your day will start with an impressive self-served buffet breakfast in the onboard restaurant, which may include pastries, coffee, tea, juice, breads, jams and jellies, a variety of sausages and cold cuts, eggs, fresh fruit and yogurt.

## Want to relax: choose between lounge bar & sun deck

Why not enjoy one of our lounges? A good place to spend time socializing indoors with friends or family, or enjoy some entertainment. On board our 3-deck ships, the piano bar is the ideal place to enjoy a cocktail, choose a book from the library, listen to or play the piano.

The sun deck offers a panoramic view of the landscape's beauty as you cruise and sun loungers are available to enjoy this view. On some ships, a swimming pool or a jacuzzi are also at your disposal to relax.

## Service & languages

We have a dedicated and knowledgeable staff of more than 1,300 people, whose conviviality, attentiveness and professionalism ensure that your voyage will be comfortable and pleasurable. Our staff and crews speak French, English and many of them speak other major European languages as well.

## Gratuity

Tipping customs vary from country to country and culture to culture, and we understand that tipping is a way for passengers to show appreciation for services, quality and attention received during the cruise. To leave a tip, please use the envelope found in your cabin your last evening on board, and place this envelope in the specially designated box in the reception area as you disembark with the understanding that tipping is entirely at your discretion\*.

## Just sit down and let us take care of you

Lunch and dinner will be 3-course sit down meals prepared by our chefs. We serve a fixed menu of local specialties, prepared on a daily basis from fresh ingredients. Both lunch and dinner meals are paired with excellent complimentary wines. We do provide meals for people with food allergies or special dietary needs.

\* Apart from our cruise on the Ganges for which tips are already included.

Note: Certain features may vary based on ship and destination.

# A variety of excursions, included or to choose from

We offer a programme of excursions to enrich each itinerary. These are carefully selected to reflect the cultures and traditions of the regions or countries visited.

## “CLASSIC” EXCURSIONS

The “Classic” excursions combine culture, architecture and history.

## “DISCOVERY” EXCURSIONS

The “Discovery” excursions offer unusual visits, the offbeat, as well as tastings of local products.

## New for 2024: make your own selection of excursions

In order to offer our customers a wider choice, with the possibility of mixing and matching “Classic” and “Discovery” excursions, the pre-established excursion packages are disappearing in favour of tailor-made packages. Now you can tailor-make the excursion package that suits you best!

You are free to choose the individual excursions that suit you best and put together your own personalised package always with the advantage of a sliding scale price according to the number of excursions you book.
